I, Joseph Alvarado, state that the following statements are true and correct to the best of my personal knowledge, information and belief:

1. I am State and Local Program Manager for the New York District Office of the U.S. Equal Employment & Opportunity Office ("EEOC") located at 33 Whitehall Street, New York, New York 10004.

2. As a matter of practice, pursuant to our worksharing agreements, when a charge is filed with the EEOC in New York City, the matter is duly filed with the State Human Rights Commission.

3. Dual-filing is accomplished by our office automatically imputing the claimant's information into our Integrated Mission System ("IMS"), a computer system shared and accessible with local agencies with whom we have entered into worksharing agreements.

4. One of the purposes of the IMS system is to prevent a claimant from simultaneously filing a charge with two or more agencies. Once an agency, whether the EEOC or a state or local agency, begins an investigation it has exclusive investigatory rights

and the filing of charge in more than one agency would create duplicative investigations.

5. The dual-filing procedures described above were in effect at the EEOC in 2002.
